("Nextel"), (CenturyTel and Nextel, each, a "Party", and, collectively, "the Parties").

WHEREAS, Nextel is authorized by the Federal Communications Commission ("FCC") to provide commercial mobile radio service (as defined in Section 1.5 of this Agreement, "CMRS") and provides such service to its end user customers, and operating wireless affiliates; and

WHEREAS, CenturyTel is a certified provider of local exchange service; and

WHEREAS, Nextel terminates Local Traffic that originates from CenturyTel's subscribers, and CenturyTel terminates Local Traffic that originates from Nextel's subscribers; and

WHEREAS, Nextel provides a point of interconnection in the CenturyTel service areas, or interconnects with CenturyTel's network via a third party tandem switch; and

WHEREAS, the Parties wish to establish a reciprocal compensation interconnection arrangement that compensates each other for terminating Local Traffic that originates on the other Party's network.

NOW, THEREFORE, IN CONSIDERATION of the covenants contained herein, the Parties hereby agree as follows:

1. DEFINITIONS.

- 1.1 "Act" means the Communications Act of 1934, as amended by the Telecommunications Act of 1996.
- An "Affiliate" of a Party means a person, corporation or other legal entity that, directly or indirectly, owns or controls a Party, or is owned or controlled by, or is under common ownership or control with a Party. For purposes of this definition, the term "own" means to have a majority ownership interest in, or have voting control of a majority of the ownership interests in, such corporation or other legal entity.
- 1.3 "Business Day" means any weekday other than a Saturday, Sunday or holiday on which the U.S. Mail is not delivered.
- 1.4 "Central Office" means a switching facility from which Telecommunications Services are provided, including, but not limited to:

- (a) An "End Office Switch" or "End Office" is used, among other things, to terminate telecommunications traffic to end user subscribers.
- (b) A "<u>Tandem Switch</u>" or "<u>Tandem Office</u>" is a switching facility that is used to interconnect trunk circuits between and among End Office Switches, aggregation points, points of termination, or points of presence.
- (c) A "Mobile Switch Center" or "MSC" is a switching facility that provides Tandem and/or End Office switching capability.
- 1.5 ""CMRS"" means Commercial Mobile Radio Service as defined in the Act and 47 C.F.R. § 20.3.
- 1.6 "Commission" refers to the state regulatory commission within a state.
- 1.7 "Common Channel Signaling" or "CCS" means a high-speed specialized packet switched communications network that is separate (out-of-band) from the public packet-switched and message networks. CCS carries addressed signaling messages for individual trunk circuits and/or database-related services between Signaling Points in the CCS network using SS7 signaling protocol.
- "Information Access Traffic" means the provision of specialized exchange and exchange access telecommunications services in connection with the origination, termination, transmission, switching, forwarding or routing of Information Service traffic to or from the facilities of an ISP. Exchange traffic is between an end-user or ISP within a CenturyTel local calling area and an ISP with a physical presence in that same calling area. Exchange access traffic is between an end-user or ISP within a CenturyTel local calling area and an ISP whose physical presence is not within CenturyTel's local calling area. The term Information Access Traffic does not include transmission of voice telecommunications traffic regardless of whether it is delivered to an ISP and regardless of whether it is carried at any point on facilities via internet protocol. Information Access Traffic is not subject to this Agreement.
- 1.9 "Information Service Provider" or "ISP" means a provider of Information Service, as defined in 47 U.S.C. § 153(20). Information Service Provider includes, but is not limited to, Internet Service Providers.
- 1.10 "Interconnection," as defined in 47 C.F.R. § 51.5, is the physical linking of two networks for the mutual exchange of traffic. This term does not include the transport and termination of traffic.
- 1.11 "Interconnection Facilities" For CenturyTel, those facilities between the CenturyTel Central Office switch and the POI. For Nextel, those facilities between the Nextel MSC and the POI.

- 1.12 "Local Exchange Carrier" or "LEC" is as defined in 47 U.S.C. § 153 (26).
- 1.13 "Local Exchange Routing Guide" or "LERG" means the Telcordia reference customarily used to identify NPA-NXX routing and homing information.
- 1.14 "Local Service Area" means, for Nextel, Major Trading Area Number 20 and for LEC, its local calling area contained in LEC's then current General Subscriber Service Tariff.
- 1.15 "Local Traffic" for Nextel is telecommunications traffic that originates and terminates within the same major trading area ("MTA"), as defined in 47 C.F.R. §24.202(a), Local Traffic for CenturyTel is telecommunications traffic that originates and terminates within CenturyTel's Local Service Area. For purposes of determining whether traffic originates and terminates within the same MTA, and therefore whether the traffic is local, the location of the landline end user and the location of the cell site that serves the mobile end user at the beginning of the call shall be used. Local Traffic includes mandatory expanded local calling area plans such as Extended Area Service ("EAS") and Extended Community Calling ("ECC"). Local Traffic excludes Information Access Traffic, Information Service traffic (900-976, etc.) and inter-MTA and paging traffic.
- 1.16 "POI" or "Point of Interconnection" means the mutually agreed upon point of interconnection between CenturyTel and Nextel where the parties establish interconnection and exchange traffic. - 1.18 "<u>Tandem Switching</u>" is when CenturyTel provides tandem switching at a CenturyTel Tandem Switch for traffic between Nextel and a CenturyTel End Office subtending the CenturyTel tandem.
- 1.19 "Telecommunication Services" shall have the meaning set forth in 47 USC §153(46).
- 1.20 "<u>Transiting</u>" is when CenturyTel provides tandem switching at a CenturyTel access Tandem Switch for traffic between Nextel and a non-CenturyTel End Office subtending the CenturyTel access tandem.
- "Type 1 Wireless Interconnection" is a line side trunk provided by the LEC to the "CMRS" provider that utilizes NPA NXX's assigned to and resident in the LEC End Office. The LEC numbers may be assigned by the "CMRS" provider to their individual customers or the interconnection may be used only for auxiliary services for which the LEC must record and/or provide billing information, i.e., operator

service, directory assistance, etc. The numbers assigned to the "CMRS" provider from the LEC office remain under the control of the LEC and any access between these numbers and PSTN must be made utilizing the LEC End Office to which the numbers are assigned.

- 1.22 "Type 2 Wireless Interconnection" is a trunk interconnecting the LEC Central Office with a "CMRS" provider's Mobile Switch Center. This type of connection may only be used for Local Traffic or terminating interMTA traffic.
 - i) Type 2A: is trunk interconnection between a LEC Tandem and a "CMRS" provider Mobile Switch Center. Through this interface, Nextel can connect to Century Tel's End Offices.
 - ii) Type 2B: is a trunk interconnection between a LEC End Office and a "CMRS" provider Mobile Switch Center. This interconnection will only provide access to numbers residing in the LEC End Office to which the interconnection is made, including EAS and ECC served by the LEC End Offices.

RURAL TELEPHONE COMPANY.

CenturyTel asserts that it is a "rural telephone company" as that term is defined in the Act, 47 U.S.C. § 153. Pursuant to Section 251(f)(1) of the Act, CenturyTel is exempt from Section 251(c) of the Act. Notwithstanding such exemption, CenturyTel has entered into and accepted this Agreement for purposes of exchanging traffic, as defined herein, with Nextel. CenturyTel's execution of this Agreement does not in any way constitute a waiver or limitation of CenturyTel's rights under Section 251(f)(1) or 251(f)(2) of the Act. Accordingly, CenturyTel expressly reserves the right to assert its right to an exemption or waiver and modification of Section 251(c) of the Act, in response to other requests for interconnection by Nextel or any other carrier.

TRAFFIC EXCHANGED.

3.1 The traffic subject to this Agreement shall be that Local Traffic which originates from a subscriber on the network of one Party and is delivered to a subscriber on the network of the other Party. Such traffic includes that traffic which is delivered via a third party Tandem Switch. Terms and conditions for the interchange of traffic between the Parties via Type 1 Wireless Interconnection will be governed by a separate Agreement

3.2 Tandem Switched Services

CenturyTel may provide to Nextel Tandem Switching to another CenturyTel End Office or a non-CenturyTel End Office that subtends the CenturyTel access tandem.

4. FACILITIES.

Each Party shall construct, equip, maintain and operate its network in accordance with good engineering practices for telephone systems and in compliance with all applicable rules and regulations, as amended from time-to-time, of any regulatory body empowered to regulate any aspect of the facilities contemplated herein. Where appropriate and consistent with industry practices and upon reasonable notice, each Party shall make the necessary arrangements to assure the other Party access to the point of physical interconnection for testing, maintenance, repairing and removing facilities.

When ordered by Nextel, CenturyTel shall provide interconnection circuits of a quality comparable to that provided to any other interconnected Local Exchange Carrier or to private branch exchanges between the CenturyTel switching center and the POI located in CenturyTel's local exchange serving area. CenturyTel and Nextel will jointly determine the interconnection circuit design and routing as well as the selection of the switching center from which service will be provided.

It shall be the responsibility of each Party to program and update its own switches and network systems pursuant to the LERG guidelines to recognize and route traffic to the other Party's assigned NXX or NXX-X codes. Neither Party shall impose any fees or charges whatsoever on the other Party for such activities.

The Parties expect that where feasible, traffic will be delivered to each involved network with CCS/SS7 protocol and the appropriate ISUP/TCAP message to facilitate full interoperability and billing functions. In-band signaling may be used if CCS/SS7 is not available.

5. RATES AND CHARGES.

- The Parties hereby agree to the following rates for the facilities and services to be provided pursuant to this Agreement. The Parties acknowledge this Agreement will be filed with the Commission.
 - Interconnection Facilities
 The rates for these facilities, if provided by CenturyTel, are specified in CenturyTel's applicable tariff for functionally equivalent elements.
 - 2) Local Network Usage
 The Parties agree to compensate each other for terminating Local Traffic that
 originates on the other Party's network. The reciprocal Local Network Usage
 rate is identified in Attachment I, Section 1(A).
 - Transiting For Nextel's Local Traffic that is transported to non-CenturyTel End Offices via

a CenturyTel Tandem Switch, Nextel will compensate CenturyTel for the tandem switched traffic between Nextel and the non-CenturyTel end office company at rates defined in Section 1(B) of Attachment I. By transporting traffic to non-CenturyTel End Offices via a CenturyTel Tandem Switch, Nextel assumes any responsibility for compensation to the non-CenturyTel End Office company.

4) Indirect Network Connection

The Interconnection of the Parties' networks for exchange of Local Traffic via a common or shared access tandem switch. Indirect Network Connection for exchange of Local Traffic under this agreement is limited to those instances where the Parties' originating and terminating rate centers are in the same LATA for CenturyTel originated traffic and within the same MTA for Nextel originated traffic.

Indirect Network Connection is intended to handle de minims mutual traffic exchange until Local Traffic volumes grow to a point where it is economically advantageous to provide a direct connection.

To the extent that the Parties have utilized any Indirect Network Connection for exchange of Local Traffic, they agree to convert such connection to a direct connection when 1) traffic volumes over such connection reach greater than a DS-1 level equivalent, or 2) either Party is being charged more than \$500.00 monthly per route in transiting charges.

Local Traffic that originates on either Party's network and terminates on the other Party's network transiting a third party tandem to which both Parties are interconnected will be charged at the Local Network Usage rates set forth in Attachment I, Section 1(A).

The charges for Interconnection Facilities shall be determined the same as those specified in CenturyTel's applicable tariff for functionally equivalent elements. Where Interconnection Facilities are used for two-way traffic, the applicable recurring charges (if any) will be reduced by a percentage equal to the percentage of traffic on such Interconnection Facilities that originates on CenturyTel's network and terminates on Nextel's network. This percentage is referred to as the Land to Mobile Traffic Factor on Attachment I. This percentage is also referred to, from time to time, in this Agreement, as the Traffic Factor or Traffic Usage Factor. The Parties agree that, at either Party's request, they will review the initial percentages based on actual usage after the initial six (6) months and after each six month period thereafter and will revise the percentage at that time based on actual traffic patterns during the preceding six (6) months. Any change to the Land to Mobile Traffic Factor will be effective at the beginning of the then current six-month period.

CENTURYTEL

- Each Party shall compensate the other for transport and termination of Local Traffic at the reciprocal Local Network Usage rates set forth in Section 1(A) of Attachment I. Traffic that originates on either Party's network and terminates on the other Parties' network via a third party Tandem Switch will be charged at the Local Network usage rates set forth in Section 1(A) of Attachment I.
- The Parties will exchange billing information on a monthly basis. CenturyTel will prepare its bill in accordance with its existing CABS billing systems. Nextel will prepare its bill in accordance with its existing CABS billing system. The Parties will make an effort to conform to current and future OBF (CABS BOS) standards, insofar as is reasonable. In the event that neither Party is capable of measuring, or has access to a measurement of traffic originating on CenturyTel's network, the charge to Nextel for Local Network Usage and Interconnection Facilities shall be based upon mutually agreed upon assumed Traffic Factors. The initial Traffic Factors are set forth in Section 2 (A) of Attachment I.

For purposes of billing compensation for the interchange of Local Traffic, billed minutes will be based upon conversation time. Conversation time will be determined from actual usage recordings. Conversation time begins when the originating Party's network receives answer supervision and ends when the originating Party's network receives disconnect supervision.

BILLING AND PAYMENT OF CHARGES.

Nonrecurring charges will be billed upon completion of the work activity for which the charge applies; monthly recurring charges will be billed in advance; and Local Network Usage will be billed in arrears. All bills will be due thirty (30) days from the billing date and will be considered past due forty-five (45) calendar days after the bill date. The Parties agree that they will each make a good faith effort to resolve any billing dispute.

If any undisputed amount due on the billing is not received by the billing Party by the payment due date, the billing Party may charge, and the billed Party agrees to pay, interest on the past due balance at a rate equal to the lesser of one and one-half percent (1½%) per month or the maximum non usurious rate of interest under applicable law. Late payment charges shall be included on the next invoice. The late payment charge is conditioned upon the billing Party delivering an invoice to the billed Party within eight (8) calendar days of the billing date.

If any portion of an amount due to a billing Party under this Agreement is subject to a bona fide dispute between the Parties, the billed Party shall within forty-five (45) days of its receipt of the invoice containing such disputed amount give written notice to the billing Party of the amounts it disputes ("Disputed Amounts") and include in such written notice the specific details and reasons for disputing each item. The billed Party shall pay when due all undisputed amounts to the billing Party. Within fifteen (15) days of final determination of the dispute, the balance of the justified Disputed Amount shall thereafter be paid with

CENTURYTEL

interest from the date of the final determination at a rate equal to the lesser of one and one-half percent (1½%) per month or the maximum rate allowable by law.

The parties shall comply with all federal, state, and local tax laws applicable to transactions occurring under this Agreement. Each Party shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees, or surcharges levied against or upon such Party. The Providing Party will separately state all taxable and nontaxable charges on the original invoice for goods or services provided under this Agreement. The Providing Party will separately state all taxes, fees, or surcharges on the original invoice for goods or services provided under this Agreement. To the extent a sale is claimed to be for resale, the Purchasing Party shall furnish the Providing Party a proper resale tax exemption certificate or other documentation acceptable to the taxing jurisdictions. The parties shall cooperate with one another to minimize taxes arising from this Agreement.

Back billing or revised billing for all services provided pursuant to this Agreement may be billed for up to twelve (12) months after the date the service was furnished, provided that notification of a billing problem with respect to such service is provided. Neither Party will bill the other Party for previously unbilled charges that are more than one-year prior to the current billing date.

7. NON-LOCAL TELECOMMUNICATIONS TRAFFIC.

The Parties contemplate that they may exchange non Local Traffic that originates from or terminates to Nextel end users with telephone numbers assigned to a rate center located within the (local) MTA over the Interconnection Facilities provided for under this Agreement. The Party sending such traffic onto such Interconnection Facilities will report to the other Party that traffic, if any, which is non-Local in nature. Non-Local Traffic that is exchanged through an Interexchange carrier (IXC) is not covered under this agreement. Compensation for non-Local Traffic shall be subject to the appropriate intrastate or interstate access rates.

When the parties provide an access service connection between an interexchange carrier ("IXC") and each other, each party will provide its own access services to the IXC. Each party will bill its own access services rates to the IXC pursuant to the procedures described in Multiple Exchange Carrier Access Billing ("MECAB") document SR-BDS-000983, issue 5, June 1994. The Parties shall provide to each other the Switched Access Detail Usage Data and the Switched Access Summary Usage Data to bill for jointly provided switched access service, such as switched access Feature Groups B and D. The Parties agree to provide this data to each other at no charge.

If the procedures in the MECAB document are amended or modified, the Parties shall implement such amended or modified procedures within a reasonable period of time. Each party shall provide the other Party the billing name, billing address, and carrier identification code ("CIC") of the IXCs that may utilize any portion of either Party's network in an Nextel

/CenturyTel Meet-Point Billing ("MPB") arrangement in order to comply with the MPB notification process as outlined in the MECAB document.

8. CREDIT ALLOWANCE FOR SERVICE INTERRUPTIONS.

Credit allowance for interruption of services provided under this Agreement shall be governed by terms and conditions set forth in CenturyTel's applicable tariff for functionally equivalent elements.

9. SERVICE ORDERS.

Nextel shall order Interconnection Facilities on a per circuit basis and shall specify at the time the circuit is ordered the date on which Nextel desires that the service be provided. CenturyTel will process such orders in accordance with its normal procedures for the installation of comparable circuits and will advise Nextel whether or not it can meet the service date requested by Nextel and, if not, the date by which service will be provided. If Nextel wishes that the service be provided at an earlier date, CenturyTel will make reasonable efforts to meet Nextel's request on the condition that Nextel agrees to reimburse CenturyTel for all additional costs and expenses described in advance of the provisioning activity to Nextel by CenturyTel, including but not limited to overtime charges, associated with providing service at the earlier date.

10. IMPAIRMENT OF SERVICE.

The characteristics and methods of operation of any circuits, facilities or equipment of either Party connected with the circuits, facilities or equipment of the other Party pursuant to this Agreement shall not interfere with or impair service over any facilities of the other Party, its affiliated companies, or its connecting and concurring carriers involved in its services, cause damage to their plant, violate any applicable law or regulation regarding the invasion of privacy of any communications carried over the Party's facilities or create hazards to the employees of either Party or to the public (each hereinafter referred to as an "Impairment of Service").

11. RESOLUTION.

If either Party causes an Impairment of Service, the Party whose network or service is being impaired (the "Impaired Party") shall promptly notify the Party causing the Impairment of Service (the "Impairing Party") of the nature and location of the problem and that, unless promptly rectified, a temporary discontinuance of the use of any circuit, facility or equipment may be required. The Impairing Party and the Impaired Party agree to work together to attempt to promptly resolve the Impairment of Service. If the Impairing Party is unable to promptly remedy the Impairment of Service, then the Impaired Party may at its option temporarily discontinue the use of the affected circuit, facility or equipment.

12. TROUBLE REPORTING.

In order to facilitate trouble reporting and to coordinate the repair of Interconnection Facilities, trunks, and other interconnection arrangements provided by the Parties under this Agreement, each Party has established a single point of contact available 24 hours per day, seven days per week, at telephone and facsimile numbers to be provided by the Parties. Each Party shall call the other at these respective telephone numbers to report trouble with connection facilities, trunks, and other interconnection arrangements, to inquire as to the status of trouble ticket numbers in progress, and to escalate trouble resolution.

Before either Party reports a trouble condition, it must first use its reasonable efforts to isolate the trouble to the other Party's facilities, service, and arrangements. Each Party will advise the other of any critical nature of the inoperative facilities, service, and arrangements and any need for expedited clearance of trouble. In cases where a Party has indicated the essential or critical need for restoration of the facilities, services or arrangements, the other Party shall use its best efforts to expedite the clearance of trouble.

The "Effective date" shall be the latest date reflected by the signing parties. This Agreement shall not continue past the termination date unless an extension is mutually agreed to in writing by the Parties, which extension shall be effective at the end of the then-current term ("Termination Date"). Either Party may request negotiation for a new agreement 90 days prior to the termination date. Both Parties reserve the right to request and require negotiation of a new agreement pursuant to Sec. 251 (c) (1) of Title 47 of the U S Code.

If this Agreement is terminated for cause as set forth under Section 13.2 or 13.3, each Party agrees to disconnect from each other's network. This Section 13.1 is subject to Sections 13.2 and 13.3.

- 13.2 Notwithstanding Section 13.1, this Agreement shall be terminated in the event that:
 - a) the FCC revokes, cancels, does not renew or otherwise terminates Nextel's authorization to provide "CMRS" in the area served by CenturyTel, or the Commission revokes, cancels, or otherwise terminates CenturyTel's certification to provide local service;
 - b) either Party becomes bankrupt or insolvent, makes a general assignment for

the benefit of, or enters into any arrangement with creditors, files a voluntary petition under any bankruptcy, insolvency or similar laws, or proceedings are instituted under any such laws seeking the appointment of a receiver, trustee or liquidator instituted against it which are not terminated within 60 days of such commencement.

- 13.3 Notwithstanding Section 13.1, either Party shall have the right to terminate this Agreement upon written notice to the other Party in the event:
 - a) a Party is in arrears in the payment of any undisputed amount due under this Agreement for more than 90 days, and the Party does not pay such sums within ten business days of the other Party's demand for payment;
 - b) a Party is in material breach of the provisions of this Agreement and that breach continues for a period of thirty days after the other Party notifies the breaching Party in writing of such breach, including a reasonably detailed statement of the nature of the breach.
- 13.4 If required by the Commission, no actual service disconnection shall occur without prior approval by the Commission.

14. LIABILITY UPON TERMINATION.

Termination of this Agreement, or any part hereof, for any cause shall not release either Party from any liability which at the time of termination had already accrued to the other Party or which thereafter accrues in any respect due to any act or omission occurring prior to the termination or from an obligation which is expressly stated in this Agreement to survive termination.

15. AMENDMENTS.

Any amendment, modification, or supplement to this Agreement must be in writing and signed by an authorized employee of each Party. The term "this Agreement" shall include future amendments, modifications, and supplements.

16. ASSIGNMENT.

Any assignment by either Party of any right, obligation, or duty, in whole or in part, or of any interest, without the written consent of the other Party, which consent shall not be unreasonably withheld, shall be void, except that either Party may assign all of its rights, and delegate its obligations, liabilities and duties under this Agreement, either in whole or in part, to any entity that is, or that was immediately preceding such assignment, a Subsidiary or Affiliate of that Party without consent, but with written notification. The effectiveness of an assignment to a non-Affiliate or non-Subsidiary shall be conditioned upon the assignee's written assumption of the rights, obligations, and duties of the assigning Party.

This Agreement constitutes the entire agreement of the Parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, negotiations, proposals, and representations, whether written or oral, and all contemporaneous oral agreements, negotiations, proposals, and representations concerning such subject matter. No representations, understandings, agreements, or warranties, expressed or implied, have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

21. EXPENSES.

Except as specifically set out in this Agreement, each Party shall be solely responsible for its own expenses involved in all activities related to the subject of this Agreement.

22. FORCE MAJEURE.

In the event performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake or like acts of God, wars, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government in its sovereign capacity, labor difficulties, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, or any other circumstances beyond the reasonable control and without the fault or negligence of the Party affected, the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference (and the other Party shall likewise be excused from performance of its obligations on a day-to-day basis until the delay, restriction or interference has ceased); provided however, that the Party so affected shall use best efforts to

The Indemnifying Party shall have complete control over defense of the case and over the terms of any proposed settlement or compromise thereof. In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand. The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit. The Indemnifying Party shall not be liable under this Section for settlement by the Indemnified Party of any claim, lawsuit, or demand, if the indemnifying Party has not approved the settlement in advance, unless the Indemnifying Party has had the defense of the claim, lawsuit, or demand tendered to it in writing and has failed to assume such defense. In the event of such failure to assume defense, the Indemnifying Party shall be liable for any reasonable settlement made by the Indemnified Party without approval of the Indemnifying Party.

26.2 Negotiations.

At the written request of a Party, each Party will appoint a knowledgeable, responsible representative to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that these negotiations be conducted by non-lawyer, business representatives. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as confidential information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. A Party may demand such arbitration in accordance with the procedures set out in those rules. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction.

26.4 Expedited Arbitration Procedures.

If the issue to be resolved through the negotiations referenced in Section 26.2 directly and materially affects service to either Party's end user customers, then the period of resolution of the dispute through negotiations before the dispute is to be submitted to binding arbitration shall be five (5) Business Days. Should such a service-affecting dispute be submitted to arbitration, the arbitration shall be conducted pursuant to the expedited procedure rules of the Commercial Arbitration Rules of the American Arbitration Association (i.e., rules 53 through 56).

All such employees, counsel, auditors, and other persons shall have a need to know the Confidential Information for performance of this Agreement, for negotiation of the interconnection agreement or for arbitration or other proceedings arising from or related to the negotiation of the interconnection agreement;
- (c) To keep such Confidential Information confidential and to use the same level of care to prevent disclosure or unauthorized use of the received Confidential Information as it exercises in protecting its own Confidential Information of a similar nature;

29. REGULATORY AGENCY CONTROL

This Agreement shall at all times be subject to changes, modifications, orders, and rulings by the FCC and/or the Commission to the extent the substance of this Agreement is or becomes subject to the jurisdiction of such agency. CenturyTel and Nextel further agree that the terms and conditions of this Agreement were composed in order to effectuate the legal requirements in effect at the time the Agreement was produced. Notwithstanding anything herein to the contrary, if, as a result of any effective decision, order or determination of any judicial, legislative or regulatory authority with jurisdiction over the subject matter thereof, it is determined that CenturyTel is not required to furnish any service, facility, or arrangement, or to provide any benefit required to be furnished or provided to Nextel hereunder, then CenturyTel may discontinue or alter the provision of any such service, facility, arrangement or benefit to the extent permitted by any such decision, order or determination by providing 60 days' prior written notice to Nextel, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable tariff or applicable law) for termination of such service, in which event such specified period and/or conditions shall apply.

CENTURYTEL

In the event that any of the rates, terms and/or conditions herein, or any of the laws or regulations that were the basis or rationale for such rates, terms and/or conditions in the Agreement are invalidated, modified or stayed by any action of any state or federal regulatory or legislative bodies or courts of competent jurisdiction, the affected provision shall be immediately invalidated, modified, or stayed, consistent with the action of the regulatory agency, legislative body, or court upon the written request of either Party. In such event, the Parties shall expend diligent efforts to arrive at a written agreement regarding the appropriate conforming modifications to the Agreement. If negotiations fail and the Parties mutually agree disputes between the Parties concerning the interpretation of the actions required or provisions affected by such governmental actions shall be resolved pursuant to the dispute resolution process provided for in this Agreement.

SUBSEQUENT LAW

The terms and conditions of this Agreement shall be subject to any and all applicable laws, rules, or regulations that subsequently may be prescribed by any federal, state or local governmental authority. To the extent required by any such subsequently prescribed law, rule, or regulation, the Parties agree to modify, in writing, the affected term(s) and condition(s) of this Agreement to bring them into compliance with such law, rule, or regulation. Further, to the extent such law, rule, or regulation allows one or both Parties the choice to operate, voluntarily, in a manner contrary to the current term(s) and condition(s) of this Agreement, the Parties agree to modify, in writing, the affected term(s) and condition(s), should one or both Parties choose to avail themselves of such law, rule, or regulation.

31. SEVERABILITY.

If any provision of this Agreement is held by a court or regulatory agency of competent jurisdiction to be unenforceable, the rest of the Agreement shall remain in full force and effect and shall not be affected unless removal of that provision results in a material change to this Agreement. If a material change as described in this paragraph occurs as a result of action by a court or regulatory agency, the Parties shall negotiate in good faith for replacement language. If replacement language cannot be agreed upon within a reasonable period, either Party may terminate this Agreement without penalty or liability for such termination upon written notice to the other Party.

ATTACHMENT I - RATES AND FACTORS

1. LOCAL TRANSPORT AND TERMINATION RATES

A. Termination Rate

Tandem or End Office Rate MOU:

\$.018

Thes rates are reciprocal and symmetrical for Local Traffic exchanged between CenturyTel and Nextel and applies for all Local Traffic MOUs exchanged at a POI associated with a CenturyTel Office via direct or indirect connection.

B. Transiting

Rate applied per MOU:

\$.00852

This rate applies to all local MOUs exchanged between Nextel and a CenturyTel End Office or the End Office of another Local provider through facilities of CenturyTel.

C. Interconnection Facilities (If requested by Nextel)

Appropriate CenturyTel Special Access Tariff

2. BILLING FACTORS

A. Terminating Traffic Factors:

30% Land to Mobile Traffic Factor

70% Mobile to Land Traffic Factor

100% Total 2-way Usage

The Terminating Traffic Factors describe the level of local usage originating from one Party and terminating to the other Party as a percentage of total 2-way local traffic exchanged between the Parties. For example, a Mobile to Land Traffic Factor of 70% would mean that, of total 2-way local MOUs exchanged between CenturyTel and Nextel, 70% originated from a Nextel wireless end user customer and terminated to a CenturyTel end user customer. These factors are used to apportion flat rated transport facilities between the Parties and may be used where needed as a billing surrogate. These factors are subject to change based upon mutually accepted traffic data as provided in Section 5.2. If factors are not updated semi-annually, the Parties shall use the last previously established factors.

B. PLU: 98%

The Percent Local Usage (PLU) Factor describes the portion of Local Traffic exchanged between the Parties that both originated and terminated within the same local call area (MTA). This factor applies to both originating and terminating MOUs.
